

## Architectural Millwork

LTR Industries (Ottawa) Limited supplies Commercial Millwork to the general construction industry,

Interior Designers and individual commercial/residential clients and offers complete design/build services, or pre-costed tendered jobs.

LTR Industries is looking for a **Jr. Cabinet Maker** to join our growing team. Reporting directly to the Lead Hand / Production Manager, your duties will include:

### Skills and Ability

#### Communication

- Giving full attention to what other people are saying, taking time to understand the points being made
- Asking questions as appropriate to confirm what is being said
- Talking to others clearly to convey ideas and information effectively, at their level, so they will understand.
- Reading and understanding information and ideas presented in writing.

#### Management

- Effective managing one's own time and the time of others.
- Effectively utilize negotiation skills.

#### Logic

- Monitoring/Assessing performance of yourself to make improvements or take corrective action
- Using logic and reasoning to identify the strengths and weaknesses of alternative solutions to problems.
- Understanding the implications of new information for both current and future problem-solving and decision-making.
- Recognizing when something is wrong or is likely to go wrong
- Applying general rules to specific problems to produce answers that make sense.

#### Knowledge

- Cabinet making joinery and construction techniques
- Nested based manufacturing techniques
- Raw materials and hardware
- Quality control
- Machines and tools, including their designs, uses, repair, and maintenance.
- WHMIS program, Fall protection
