

LTR Industries (Ottawa) Limited supplies Commercial Millwork to the general construction industry, Interior Designers and individual commercial/residential clients and offer complete design/build services, or pre-costed tendered jobs.

LTR Industries is looking for a **CAD Technician** to join our growing team. Reporting directly to the Senior Engineer, your duties will include:

- Converting Architectural designs to shop drawings
- Making changes to drawings during production
- Stay up to date with new Auto-CAD and other relevant software and trends
- Coming up with creative solutions
- Other responsibilities as assigned by Senior Engineer

You will bring:

- Experience in the woodworking industry
- Ability to work independently and in a team environment
- Excellent knowledge of Microsoft Office Suite
- Experience with CAD and other industry drafting software, **Cabinet Vision** experience preferred
- Detail oriented and organized
- Strong written, and oral communication skills
- Ability to read, analyze and interpret Architectural Millwork Drawings
- Knowledge of millwork materials
- Excellent time management skills
- Able to work under pressure

We provide a team atmosphere that fosters growth and critical thinking. Competitive compensation and a comprehensive benefit package await the right candidate.

OUR MISSION

LTR'S DEDICATED TEAM USES INNOVATIVE SOLUTIONS TO PROVIDE HIGH QUALITY PRODUCTS, ON TIME TO OUR VALUED CUSTOMERS
