

LTR Industries (Ottawa) Limited supplies Commercial Millwork to the general construction industry, Interior Designers and individual commercial/residential clients and offer complete design/build services, or pre-costed tendered jobs.

LTR Industries is looking for an **Estimator** to join our growing team. Reporting directly to the Senior Estimator and General Manager, you will bring knowledge and a strong ethic.

Duties will include:

- Prepare estimates of probable costs of materials, labour and equipment, and subcontracts for construction projects based on contract bids, quotations, schematic drawings, and specifications.
- Work with the Project management team for project handoffs.
- Follow up on bids as necessary to monitor our pricing compared to our competitors.
- Estimate cost and margin of start to end projects.
- Determine methodologies and best practice to set the duration and task dependencies for accomplishing the scope of work considering time, cost, and quality.
- Analyze drawings, specifications, and tender documentation.
- Improve cost estimating procedures, reducing discrepancies between estimated and actual costs.
- Have all bids reviewed by management for accuracy.
- Include as much detail as possible in quotes including specifications and exclusions.
- Maintain relationships with existing clients.
- Work closely with project stakeholders to obtain, review, and support the commitments required for the cost estimates.
- Other duties as assigned.

You will bring:

- Ability to deal with multiple projects and conflicting deadlines in a fast-paced environment.
- Possess excellent interpersonal, organization, verbal and written communication skills.
- Critical-thinker and problem-solver
- Technical knowledge and skills
- Great attention to detail
- Good time-management skills
