

LTR Industries (Ottawa) Limited supplies Commercial Millwork to the general construction industry, Interior Designers and individual commercial/residential clients and offer complete design/build services, or pre-costed tendered jobs.

LTR Industries is looking for a **Facilities Maintenance Technician** to join our growing team. Reporting directly to the Production Manager and President, you will bring knowledge and a strong ethic.

Duties will include:

- Efficiently installing equipment, machinery, and parts pertinent to them using fundamental trade practices to ensure completion within specified timeframes while upholding the highest standards of workmanship.
- Pre-planning for the installation of equipment, machinery, and other pieces.
- Identifying issues or barriers to finishing the project on time and suggesting solutions.
- Pick-up, deliver and maintain goods and supplies required to perform installation tasks.
- Installs, dismantles, maintains, repairs, troubleshoots, reassembles, and moves machinery, as needed.
- Perform or supervise general carpentry work and repairs such as installing floor and wall tiles, repairing drywall, replacing doors and door hardware, painting, and other redecorating.
- Planning, organizing, and executing the work to fit the timelines required.
- Able to plan and execute projects or work orders with minimum supervision.
- Utilizing the machinery, equipment, and tools applicable to the trade.
- Adhere to all Health and Safety rules and regulations.
- Other related duties as required / assigned by supervisor.

You will bring:

- Minimum of five (5) years as a tradesman with experience in construction and renovations with a willingness to learn new skills.
- Prior maintenance experience.
- College Diploma in a recognized Trade considered an asset.
- Experience and good working knowledge of shop equipment and hand tools, including power tools.
- Ability to work effectively as a member of a team.
- Ability to maintain long periods of varied physical activity: walking, standing, sitting, climbing stairs and ladders, bending, lifting, stooping, squatting, and lying down to access tight or awkward spaces.
