

## Architectural Millwork

LTR Industries is looking for an **Architectural Millwork Technologist** to join our growing team. Reporting directly to the Senior Engineer, you will bring knowledge and a strong ethic.

### ABOUT US:

---

- LTR Industries (Ottawa) Limited supplies Commercial Millwork to the general construction industry, Interior Designers and individual commercial/residential clients and offer complete design/build services, or pre-costed tendered jobs.
- LTR Industries' one-stop-shop approach makes excellent architectural millwork a seamless and painless experience for architects, general contractors, interior designers, and commercial enterprises.

### WHY WORK WITH US:

---

- A high-paced and creative environment, where all team members have an opportunity to contribute. Our employees have the freedom to present new ideas and find creative solutions to help us drive our growth and continuous improvement model.
- Recently added a 25,000 sq feet State of the Art facility with a focus on Employee comfort and Safety.
- We're a family first company, that goes above and beyond for its family (employees) by providing a working environment that is value driven and focused on doing worthwhile work.
- We are a company that supports life-long learning. We support your personal and career development. We provide in-house courses, extensive training, and many other resources to enable our employees to achieve their personal goals and be successful in their careers.
- We believe in your potential. If you're looking to develop your expertise with learning opportunities and mentoring, we'll make that happen. Your growth path is in your hands, and you'll have ongoing meetings with your manager to help determine your path.
