

Architectural Millwork

LTR Industries is looking for a **Cabinet Assembler** to join our growing team. Reporting directly to the Department head and the Production Manager, you will bring knowledge and a strong ethic.

ABOUT US:

- LTR Industries (Ottawa) Limited supplies Commercial Millwork to the general construction industry, Interior Designers and individual commercial/residential clients and offer complete design/build services, or pre-costed tendered jobs.
- LTR Industries' one-stop-shop approach makes excellent architectural millwork a seamless and painless experience for architects, general contractors, interior designers, and commercial enterprises.

WHY WORK WITH US:

- A high-paced and creative environment, where all team members have an opportunity to contribute. Our employees have the freedom to present new ideas and find creative solutions to help us drive our growth and continuous improvement model.
- Recently added a 25,000 sq feet State of the Art facility with a focus on Employee comfort and Safety.
- We're a family first company, that goes above and beyond for its family (employees) by providing a working environment that is value driven and focused on doing worthwhile work.
- We are a company that supports life-long learning. We support your personal and career development. We provide in-house courses, extensive training, and many other resources to enable our employees to achieve their personal goals and be successful in their careers.

Architectural Millwork

- We believe in your potential. If you're looking to develop your expertise with learning opportunities and mentoring, we'll make that happen. Your growth path is in your hands, and you'll have ongoing meetings with your manager to help determine your path.
- At LTR Industries, we understand that experience comes in many forms. We're dedicated to adding new perspectives to the team - so if your experience is close to what we're looking for, please consider applying.

RESPONSIBILITIES:

- Installs hardware, such as hinges, catches, and knobs, on assembled cabinet.
- Read, track and process work orders.
- Reinforce assembled furniture and fixtures with dowels or other supports.
- Assemble cabinets with various wood types and finishes using a variety of tools.
- Use basic carpentry tools, hand tools, drills, saws, etc.
- Meet all pre-determined quality, productivity, and scheduling standards in a safe and timely manner.
- Ensure cabinets, materials and components are finished according to customer's order.
- Handle product as required to avoid damage, scratches, and dents.
- Ensure safe operating practices are always followed.

REQUIREMENTS:

- Ability to work under pressure and meet deadlines.
- Ability to read and interpret blueprints and good understanding of part specifications.
- Cabinetry assembly experience is an asset.
- Detail-oriented and transactional accuracy are must.
- Experience with tools - drills, nail guns, saws, etc.
